

STATEMENT OF PURPOSE

RS21913

The Administrative Procedures Act requires agencies to include in their notices of proposed rule making a description of any negative fiscal impact to the general fund greater than \$10,000 during the fiscal year when the rule is to take effect. This legislation will require the tax commission to include a description of both positive and negative fiscal impacts of more than \$10,000 to the general fund and other funds during the fiscal year when the rule is to take effect. This legislation includes a two year sunset clause.

FISCAL NOTE

There will be no negative fiscal impact to the general fund.
